The University of Texas - Center for Lifelong Engineering Education Announces sponsorship for the 4th annual Brain Party

Event Features a one-of-a-kind celebration for Central Texas engineers.

Austin, Texas -- May 4, 2010 -- The University of Texas today announced sponsorship for the 4th Annual Brain Party, a 3 hour long event celebrating engineers and IEEE members. The party will be held on May 4, at the Downtown Hilton. The free event is exclusive to engineers or IEEE members.

"We are proud to host the 4th Annual Brain Party" said Cath Polito, Executive Director of the Cockrell School of Engineering's Center for Lifelong Engineering Education at The University of Texas at Austin. "We believe in giving back to our local and global engineering community."

Sponsors include:

Austin Chamber of Commerce, IEEE, Cirrus Logic, The University of Texas Center for Lifelong Engineering, Gemalto, I2MTC and PayPal

Registration

To register, email your name, company and whether or not you are an IEEE member to Vicki Segna, vsegna@austinchamber.com. Admission at door with business card or student ID.

About the Center for Lifelong Engineering Education

The University of Texas at Austin's Cockrell School of Engineering is one of the Top 10 distinguished engineering schools in the country. Our professional development department, the Center for Lifelong Engineering Education, provides busy engineers with immediately applicable, real-world knowledge through individual courses, master's degrees and on-site custom courses.

What Starts Here Changes The World.
